ALL OUT AS MERCURY ROSE

Maximum Was 81 and Streets and Roads Were Crowded With Spring's "Reception Committee."

Every automobile, notwithstanding gasoline stands at 20 cents; every surrey, runabout and perambulator, and "shanks ponies" were out in full force yesterday when the first real spring day of the season visited Maryville.

J. H. Brink's official thermometer rose to 81 during the afternoon yesterday. Today is just as beautiful only it is somewhat cooler, the unofficial figure being 70 as a maximum. The forecast of the St. Joseph office is colder with rain or snow probably for tomorrow.

\$7,000 INTO BRIDGE FUND

Money From Poor House Budget Will Pay All Warrants—Court to Pickering Today.

The county court was in session again today and transferred about \$7,000 which was left over in the poor house fund to the bridge fund. All the poor house bonds were paid off recently.

With \$7,000 being added to the bridge fund, it will take care of all outstanding warrants to that fund. All of the other county funds have a good balance on hand. The county has no other indebtedness.

The court went this afternoon to Pickering where it inspected a proposed change in a road south of that place near the Jim Neal farm. The people living on that road are wanting it widened.

The court accepted the reports of Collectors George T. Clardy of Lincoln township, C. L. Gann of Polk and W. L. Rhodes of Jackson.

NEW WILCOX CHURCH

M. E. SOUTH, WILL HAVE DEDICATION IN APRIL.

MUCH WORK CONTRIBUTED

Building Cost \$6,000 and Material of Old Structure Used—Young People From Here to Speak.

The new church of the M. E. church, South, congregation of Wilcox is completed and will be dedicated some time in April. The church is now being used, although the new seats have not been received and placed. The Rev. G. T. Tolston of Barnard is pastor, preaching at the Wilcox church each second Sunday.

Dr. W. F. McMurry of Nashville, church extension secretary of that denomination, will probably be secured for the dedication address. The structure was erected at a cost of \$6,000, in addition to the material of the old building which was used. A great deal of the work was contributed also by the members.

A large basement equipped for social purposes was placed beneath the Sunday school rooms, in addition to the auditorium. The pastor, who was in Maryville Saturday on his way to his work, said that the church is showing renewed activity along all lines since the church was finished.

The construction was begun in September, immediately after annual conference. Andrew Jensen, C. C. Hainline and B. C. Hall were the building committee. It will probably be free from all debt by the dedication day. One of the strongest features of the church is a young people's class of twenty-five members.

This class alone gave \$200 toward the new church. They are planning the organization of an Epworth League soon, and the pastor has asked a delegation of Maryville young people to make a visit to his church concerning young people's work.

A group of workers from the Union of Young People's Societies here will go to Wilcox Sunday morning, March 26, to speak in the new church. Members of the Christian Endeavor, Young People's club of the Presbyterian church, and the Epworth League of the Buchanan Street Methodist church will make up the delegation.

Mrs. George Dempsey and baby, who have been visiting Mrs. E. J. Dempsey, left this morning for St. Joseph, where they will visit several days before returning to their home in Fowler, Col.

TOWNSHIPS' NAMES ALLIES WILL START

MEN WHO WILL BE DEMOCRATIC COUNTY DELEGATES.

TO MEET HERE TOMORROW

Representatives to State Convention Will Be Elected and Several Indorsements Will Be Made.

The Democratic County Convention will meet tomorrow at a court house for the purpose of selecting fourteen delegates to the state convention to be held in St. Joseph on March 21. No other matters are scheduled but an endorsement of both the national and state administrations will be made. The convention will endorse George B. Baker of this city, as one of the district delegates to the National convention at St. Louis.

As to what the convention will do to endorsing Governor Major for vice-president and as to four delegates-at-large from the state to the National convention, Democratic leaders here could not say this morning. An effort will probably be made and if it is introduced in the resolutions there will probably be no opposition in the convention.

Some of the townships reported their delegates selected Saturday to the convention Tuesday. They follow:

Grant—Loren Campbell, Jay Titus, Preston Curritt, Chace Parrish, John Rasco, Hugh O'Donnell and Sam Conlin.

Green—J. S. Carden, A. C. Ford, William Job, Hugh McDonald and Dan Woods.

GRAND WAR COUNCIL MET TODAY IN PARIS.

JOFFRE LEAVES VERDUN

French General Presides Over Meeting—Kaiser Again at Scene of Big Battle.

Special to The Democrat-Forum.

Paris, March 13.—An early offensive by the allies is expected as a result of the grand council of war which is in session here today. General Joffre came back from Verdun to preside. England, Russia and Belgium were represented. Some of the leaders are insisting upon an offensive on all fronts.

Italian Offensive Begins.

Rome, March 13.—A new offensive movement by the Italians was opened over a greater part of the Austro-Italian theatre of war. On the Gorizia front, the Italians bombarded Gorizia with massed artillery.

The Italian offensive is believed to be a part of a plan of the Allies for concerted attacks on all fronts.

Kaiser Again at Verdun.

Paris, March 13.—Berlin announces that the Kaiser is again at Verdun and will remain there probably until the battle is decided. Dispatches from the French say that the Teutonic attacks are weakened.

The Germans, however, hold all the positions along the west Meuse. Gigantic artillery duels are raging all along the Verdun and Aisne fronts. The German trenches in the La Petre woods were penetrated 200 yards.

DEAD IN BED AT 23 YEARS

DAN BOLLINGER OF HOPKINS WAS IN GOOD HEALTH.

Young Man Had Never Been Troubled by Heart—Funeral Tomorrow at 2 o'clock.

Dan Bollinger, 23 years old, was found dead in bed by his parents this morning when they went to investigate why he did not come to breakfast. After calling him several times and getting no response they went to his room and found him dead in bed.

He was in the best of health seemingly when he retired, and had not been afflicted with heart trouble. On examination by the physician, he stated that Mr. Bollinger probably died about 3 o'clock this morning.

Mr. Bollinger was born and reared in this county, and was well liked by all who knew him.

He is survived by his mother and father and two brothers, Charles of Savary, Neb., and Harry of Hopkins. The funeral services will be held at the home tomorrow afternoon at 2 o'clock. The Rev. H. H. McNamee of the Methodist church of Hopkins will conduct the services. Burial will be in the Hopkins cemetery.

MAY MAKE TWO DISTRICTS

Polk Township Board Considers Change Into Road Overseeing Into North and South Sections.

The Polk township board was in session this morning and discussed the proposition of dividing the township into two road districts, North and South with the state road as the dividing line. It would only be necessary to employ two road overseers and enough work could be done so that the road overseers could be steadily employed during the road season.

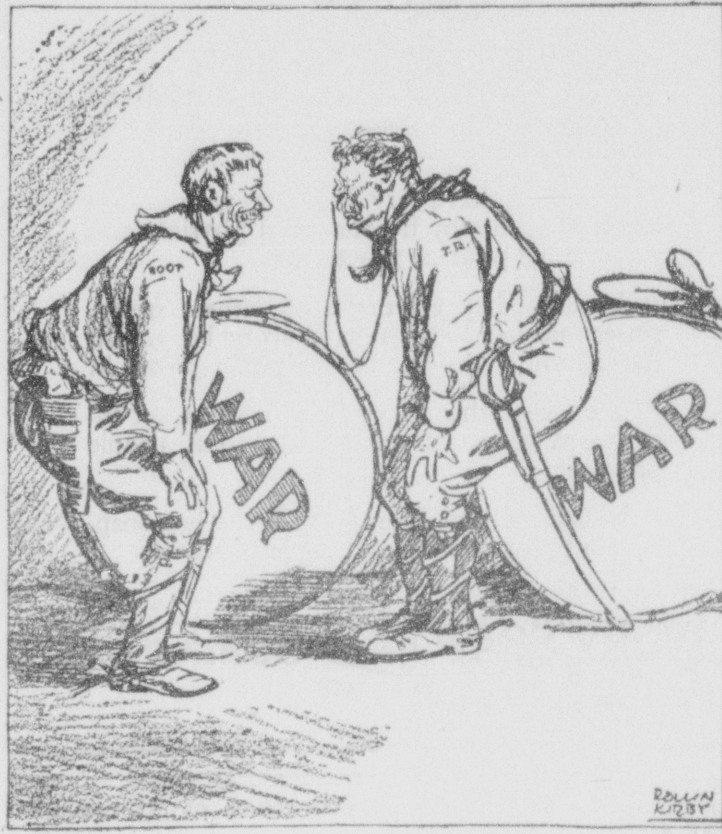

As it is now the township is divided into many road districts. The board has taken no definite action on the matter but probably will at their April meeting when they select overseers.

The board visited and inspected the jog in the road near the John Anderson farm, a quarter of a mile south of the Union School house on the Maryville-Pickering road. They decided to have part of the farm of Mr. Anderson's, about ten-twelfths of an acre cut off for a distance of about 150 feet and at its widest part to be 50 feet. The board also ordered two new approaches to be built for a bridge south of the C. D. Bellows farm. These approaches were washed out last summer.

SHOWER FOR THE KIMES GERARD RETURNS SURPRISE

NEIGHBORS GIVE 200 ARTICLES TO UNFORTUNATE FAMILY.

Complete Loss of Household Goods Made Up by Friends Thursday at Ed Russell's.

Invitations were issued to friends of Mr. and Mrs. Sam Kime, whose home and furnishings were completely destroyed by a recent fire, to attend a shower for them at the home of Mrs. Ed Russell, with Mrs. Russell and Miss Ella Carey hostesses, Thursday afternoon.

The yard was filled with autos and buggies and the house with women representing five neighborhoods. Many useful gifts were given. This was one of the largest affairs that was ever given in this neighborhood. Mr. and Mrs. Kime received a total of two hundred articles.

Among the gifts were seventy-five yards of dress goods, and a sewing party was quickly organized, and before the evening was passed five new garments were made for the Kime wardrobe.

The generosity of the people of that vicinity is expressed in the following list: Three iron bedsteads, three mattresses, two sets of springs, one dining table, one kitchen cabinet, one china closet, one set of chairs, one set of dishes, three large lamps, seven comforts, six pairs of blankets, two quilts, seventy-five yards of dress goods, twenty-five yards of toweling, one winter cloak, ten dish towels, five ready-made dresses, five suits of underwear, six pairs of sheets, six pairs of pillow cases, one dresser scarf, two double cookers, two roasters, one set of silver spoons, sugar bowls, cream pitchers, dishes, plates, cups and saucers, platters, cake pans, pie tins, mirrors and numerous other small articles.

Mrs. D. L. Palmer invited all those present to attend a meeting of the Elk Ford Embroidery club at her home next Wednesday afternoon. This club brought a load of useful gifts for the Kimes Thursday.

WILSON TO GRANT CARRANZA DEMAND

MEXICANS MAY CROSS BORDER IN EMERGENCIES.

MUST BE IN EXTREME CASES ONLY, HOWEVER

Senate May Hold Up Agreement—Situation Along Border Practically Unchanged.

Special to The Democrat-Forum.

Washington, March 13.—President Wilson decided today to accept the proposition of President Carranza of Mexico that the constitutional troops be given a reciprocal right to enter the United States.

The note will be sent today probably to the de facto government of Mexico assuring Carranza that his Mexican troops will be allowed to cross the border when any emergency arises. Official announcement of this was made this morning.

Secretary Lansing will lay the note before the president this afternoon, and if he approves, it will be dispatched at once. It is now believed that any danger from Carranza troops is removed.

The president's note will make it clear that any Mexican expedition into this country would be possible only under the most exceptional circumstances.

The only obstacle to the agreement is the point raised by several senators that the note is in the nature of a treaty and would have to be ratified by the senate.

The senate will readily give its consent but it is pointed out to the president that such action may start a debate that would get out of his hands and might result in serious consequences.

Senator Stone thought it possible that the president could make the agreement as a matter of expediency. This question will be settled by the conference this afternoon between Wilson and Lansing.

Will Make Border Safe.

San Antonio, March 13.—Funston received official reports today which show that the orders to mobilize the infantry, cavalry and artillery along the border is being rapidly executed. The delay in the advance is explained by the wishes of the authorities to make the border safe from attack during the expedition against Villa.

Funston said that whatever action Carranza takes will not affect the determination of the United States to get Villa. Pershing will have direct charge of the punitive expedition.

Douglas, Ariz., March 13.—One hundred and fifty Mexicans crossed the border fifty miles east of Douglas, but retreated southward when informed by a Mexican that a body of troopers and ranchmen were coming to meet them.

El Paso, March 13.—Marital law goes into effect along the border today between the United States and Mexico. General Pershing is still here, but reliable reports are that Commander-in-Chief Funston has fixed Wednesday as the time for a rush across the border.

Aeroplane Squadron Into Fight.

San Antonio, March 13.—The first section of the aviation squadron left today for Mexican service. It consisted of eight machines eighty men and an equipment of guns.

San Francisco, March 13.—Fire of mysterious origin destroyed the barracks at Presidio this morning shortly after the first cavalry had left for the Mexican border. The water supply had been cut off before the fire was discovered.

Carranza Confers With Obregon. Queretaro, March 13.—President Carranza conferred with General Obregon several hours today. The commander of the constitutional troops left later, presumably for Torreon, where a large Carranza force is concentrated.

TAKE "CASCARETS" IF HEAD-ACHY, BILIOUS AND CONSTIPATED.

Best for Liver and Bowels, Bad Breath, Bad Colds, Sour Stomach.

Get a 10-cent box.

Sick headache, biliousness, coated tongue, head and nose clogged up with a cold—always trace this to torpid liver; delayed, fermenting food in the bowels or sour, gassy stomach.

Poisonous matter clogged in the intestines. Instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet and your liver and bowels regular for months.

Evans-White Wedding

Took Place Saturday Evening.

A very pretty wedding took place at 8 o'clock on Saturday evening, March 11, when Miss Nellie Elizabeth Evans of this city and Mr. Charles Henry White of Scottsdale, Pa., were united in marriage at the home of the bride's father, Mr. John M. Evans, 314 North Mulberry street.

The marriage service was read by the Rev. W. H. Welton of Skidmore, a long-time friend of the family. The wedding was a very quiet one, only the members of the immediate family being present. The bride was gown in simple white, her only ornament being a pearl and diamond brooch the gift of the groom.

The bride grew to womanhood here where she has a wide circle of friends. On reaching maturity she carried out a dream of her childhood to "some day write as fast as people talked" by studying stenography. In this she became quite proficient, delighting especially in taking expert testimony in court trials and doing verbatim reporting of platform addresses for magazine publication. But after a time the opportunity for service to others offered by the Young Women's Christian Association claimed her, and she served variously as general secretary of the local associations in St. Joseph, Mo., and Oakland, Cal., and as one of the national student secretaries, with headquarters in Chicago. From this it was but a step to a national field secretaryship in the Woman's Home Missionary society of the Methodist Episcopal church, of which denomination she has been an active member since childhood. This work took her into almost every state in the Union and among all classes of people, and in it she formed many warm and lasting friendships.

Since the death of her mother, the bride has been with her father, and has been a most faithful and devoted daughter. During this time she has, until quite recently, been conference president of the Woman's Home Missionary society. She has also organized and is still superintendent of the elementary department of the county Sunday school work. She will be greatly missed in both of these lines.

The groom is a retired merchant, the youngest son of Mr. Henry White of Uniontown, Pa., a member of an old established eastern family, who came from England to this country in colonial days. Through his mother, Mr. White is a descendant of the Carey

Fulton Mothers Now Treat Children's Colds Externally

They Find Vap-O-Rub Better Than Internal Medicines for Croup and Cold Troubles.

Mrs. J. S. Pugh, 510 Market St., and Mrs. Mary Bolton, 105 Ravine St., both of Fulton, Mo., have found, in common with many other Missouri mothers, that it is no longer necessary to dose children with internal medicines for cold troubles. In the South Vick's Vap-O-Rub is the standard remedy for these troubles, but it was only last winter that it was introduced here. Vap-O-Rub was discovered by a North Carolina druggist. He found how to combine Menthol and Camphor with the volatile oils of Thyme, Eucalyptus, Cubes and Juniper, in salve form, so that when applied to the body, the ingredients are vaporized by the body heat.

These vapors are inhaled with each breath, through the air passages, to the lungs, carrying the medication direct to the affected parts, and, in addition, Vick's is absorbed through the skin, taking out the tightness and

soreness. This double action makes Vap-O-Rub really a remarkable remedy for many forms of inflammations. Either inflammations of the air passages, such as head colds, catarrh, bronchitis, sore throat, or deep chest colds, or inflammations of the skin tissues, such as burns, bruises, stings, piles, itchings and muscular soreness. It is particularly recommended for small children, as it can be used freely, with perfect safety, on the youngest member of the family.

But let these Missouri mothers speak for themselves. Mrs. Bolton writes—"I have used Vap-O-Rub on baby for bad colds. Results were excellent. I find it better than any internal medicine I ever used." Mrs. Pugh's experience is—"I tried your Vap-O-Rub on three of my children for bronchitis. They would cough so hard at night I could not sleep, so would get up and rub their throats and chests with Vap-O-Rub and they seldom coughed any more that night, and after I had kept it up for several nights they stopped coughing. I believe it is better than taking so much medicine internally." Three sizes, 25c, 50c or \$1.00. At all druggists.

"No use competing,"

they say, when David K. Bell shows pears—or sheep.

He has taken first prize for pears at his State Fair nearly every time he has shown. He is acknowledged the leading pear grower in his district. And he grows sheep, too—the prize-winning kind, for export to Australia and South Africa.

A visit to Mr. Bell's farm would be a pleasure and an education for every farmer who grows fruit or sheep.

A man made him a visit. Mr. Bell told the man a lot about his soil, his trees, his flock and his methods. What he told has been made into an article—*A Fruitman-Shepherd*—and it appears in the March 18th issue of

The COUNTRY GENTLEMAN

Every farmer who has an orchard will be interested in *The Country Gentleman* because *The Country Gentleman* is interested in every farmer's orchard. It encourages practical fruit growers to write their experiences, ideas and suggestions, and prints what they write in a regular department called

In like manner, *The Country Gentleman* interests itself in every phase of farm life, work and thought—in the farmer, his wife, his family and his community.

In addition to the special articles each week, there are other regular departments covering field methods, live-stock, dairying, poultry, farm buildings, market gardening, schools, outings, care of children, cooking, sewing, etc.

HARD FIGHT FOR RUNNER-UP

Springfield and Drury Will Decide Thursday Whether to Enjoy Peace With Maryville.

The fight for second honors in college basketball is proving to be a close one and three-cornered affair, with Maryville, Springfield and Drury in the fray. The runner-up position will be decided on March 16, when Drury college meets the Springfield normal five on the former's floor. If Drury wins it will pull Springfield from second place into a tie with Maryville Normal and Drury for this honor. In case Springfield normal wins it will leave them in second place by an easy margin, and will leave Maryville in third place.

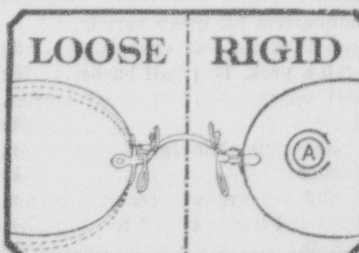

Drury went all to pieces after their defeat by Springfield. Losing to William Jewell by a close score, they dropped two games to the Rolla Miners, and the Central Eagles trounced them 34-17, the score at the end of the first half being 20-3 for the Fayette school.
